

## COVID19 Guidelines Per State OF New Hampshire

We request all competitors, crewmembers and race fans to follow the guidelines so we can continue to hold events for the 2020 Season and to keep you and our staff safe.

**IF YOU HAVE ANY SIGNS OF COVID19 OR HAVE BEEN EXPOSED TO COVID19, WE REQUEST YOU DO NOT ATTEND THE EVENT UNTIL YOU HAVE BEEN TESTED AND THE RESULTS ARE NEGATIVE.**

**FACE MASKS ARE MANDATORY** for everyone under these guidelines: Per Governor Sununu's Emergency Orders (8/11/20)

1. When entering & exiting the pit and main grandstand areas, when walking around the pit and main grandstand area, going to the concession, using the restrooms and standing in the beer garden area.
2. Face Mask are not required when you are seated in the main grandstands following the social distance guidelines of groups of 10 or less and being 6' apart (the seats marked with green tape are seats available to sit in, if they are not marked it is not an available seat).
3. Competitors and race teams will not be required to wear face masks in their own pit stall. When leaving the pit stall, competitors and team members must have them on **including in the pit stands**
4. Upon arrival, please let the staff know if you have a medical condition and cannot wear a face mask. We appreciate everyone's cooperation so we can continue to offer racing at monadnock speedway.

**Advanced General Admission Tickets** are available for each event and highly recommended due to the 50% capacity limit. Pit tickets are available on the day of the event and cannot be purchased in advanced. **Everyone going into the pit area must sign a COVID19 waiver.**

**Exiting** the Main Grandstand Area after the conclusion of the Event: Face Masks must be worn. Fans are asked to use the nearest exit to them: the gate in the main entrance, the gate in the beer garden area and the gate in turn 4 (south area of the track).

**When standing in line** for tickets, concessions, beer garden and restrooms everyone must wear a face mask and maintain 6' social distance away from another individual.

**Coolers** (6 pack or smaller) are permitted. Anything larger will not be permitted.

**Seating in Main Grandstand:** The bleacher seats that are marked in **green tape** are available seats. If it is not marked in green tape or reserved, you cannot sit in that seat.

**SMOKING IN THE GRANDSTAND IS NOT PERMITTED!**

We ask all for your cooperation in following the above guidelines and please have patience when standing and waiting in line.
